The trouble was constitutional not local; and, until Ayer's Sarsaparilla did its effective work as an Alterative and Blood Purifier, they were compelled to suffer. The wife of Samuel Page, 21 Austin

When you are talking business you don't talk to the center, the pith, the rule of the thing. You don't aim at any bull's eye. Of course you can't then make others know what you want. That's one reason why so many times you get nothing at all. You lose too much time in feeling around and taking soundings.
